Ems to Wilhelm I. at Sedan. The following carefully prepared chronology of the Franco-Prussian war, em-bracing all the leading events, will be

found useful for reference. Only such events are recorded as are confirmed from authentic sources: where they have those Cumberland wrestling matches, they would let you have the place for a day, and give half the fakings, and Pil be bound JUNE. 30. The abdication of Queen Isabella considered certain. The military contin-gent discussed in the Corps Legislatif; the government asks for 96,000 men.

JULY. 1. Queen Isabella abdicates the throne of Spain.

2. The Corps Legislatif rejects the petition of the Orienns Princes to be allowed to return to France.
3. General Prim advises Senor Olozaga, with my hands of you, and I can truly say the less I see of two such kicking horses the better I shall be pleased. My good old grandfather set me against the Bonyparts when I was a boy, but I did think that you, Lewis, were a quieter sort than your walls be beginned in the King of Prussia on the Hohen-walls become with its beginning the leavest of the leavest of the leavest of the leaves of the leavest of th

Lewis, were a quieter sort than your uticle; however, what is bred in the bone will come out in the flesh, and as the old cock crows the young cock learns. Why you, the King of the Germans, want to go into the butchlearns. Why you, the King of the Germans, want to go into the butchering line I don't know; but if you are at the bottom of this, it shows that you are a very bad-disposed man, or you would be ashamed of killing your fe llow-creatures. When war begins it is a bad office for the French government would persist in its policy of neutrality, but under no pretext would it permit a German ways to place one of its princes on ne U opens, and it is a bad office for man power to place one of its princes on the throne of Charles the Fifth. The eit, her of you to be gate-opener to the dev. I; yet that's what one of you is, if not looth.

Did either of you ever think of what believed as the candidature of the emperor's Minister at Berlin.

S. The Emperor's Minister at Berlin.

S. The Emperor's France, at a war contained to have two corps of

bid either of you ever think of what war means? Did you ever see a man's head smashed, or his bowels ripped open? Why, if you are made of flesh and blood the sight of one poor wounded man, with the blood oozing out of him, will make you feel side. I don't like to drown a bitton. I want to the Emperor's Minister at Berlin. S. The Emperor of France, at a war conference, decided to have two corps of armse ready for immediate movement, Baraine to command one and LeBout the other. A report prevailed at Paris that the Prussian Minister of Warhad ordered all the general officers of the Prussian without data. sick. I don't like to drown a kitten; I can't even bear to see a rat die, or any animal in pain. But a man! Where's your hearts if you can think of brokeriegs, splintered bones, heads amashed in, brains blown out, bowels torr, hearts gushing with gore, ditches full of blood, and heaps of limbs and careases of mangled man? In you say

thousands, and you know very well that is just what you are going to do. Do you fancy that your drums and fifes, and feathers and fineries, and pomp, make your wholesole murder one whit the less abominable in the sight of God? Do not deceive yourselves; you are no better than the cut-throats whom your own laws condemn; better, why you are worse, for your murder's are so many. Think, I pray you, for your poor peoworse, for your murder's are so many. Think, I pray you, for your poor people will have to think whether you do or not. Is there so little want in the world that you must go trampling on the harvest with your horses and your men? Is there so little sorrow that you must make widows by the thousand. Is death so old and 'seble that you must hunt his game for him as jackals do for the lion? Do you imagine that God made men for you to play soldiers with? Are they only meant for toys for you to break? O kings, a ploughman tells you that

sight as yours; they suffer as much pain when bullets pierce them as ever and its approval by the Prussian Governyou can do; they have homes and ment. Second. The refusal of the King of

Prussia to compel the withdrawal of Prince Leopold's name as a candidate for will be as much wept over as yours, perhaps more. How can you sit down perhaps more. How can you save to eat when you have eaused war?

Does not the blood rise in your throats and choke you? Or are you only devand choke you? Or are you only devanded to the blood rise in your throats and choke you? Or are you only devanded to the blood rise in your throats and choke you? Or are you only devanded to the blood rise in your throats and choke you?
